LETTER OF INTENT

CIIPS seeks Letters of Intent for proposals for one-time projects. To be eligible for funding or partnership, a project must fit the mission and charitable purpose of CIIPS.

Please limit your Letters of Intent to a maximum of four pages and ensure that you provide the following information.

1. Applicant information:

- a) Name of contact individual or organization
- b) Address (with postal code)
- c) Telephone
- d) E-mail address
- e) Website (if any)

If an organization is applying:

- f) Name of Executive Director
- g) Name and title of Board Chair/President
- h) Current annual budget and source(s) of revenue
- i) Describe the purpose of your organization.
- j) Describe your organization's activities, its members, its clients and its staff.

2. Proposed project name
3. Name of the principal researcher
4. Amount of request
5. Start and completion dates (Applications are for time-limited projects only.)
6. Project description
7. Why do you think this project is needed and who will it serve?
8. What are the overall objectives and specific objectives of the project? What are its desired outcomes?
9. Describe how this project relates to the mission statement and charitable purposes of CIIPS

10. Budget: List the total amount needed for the project and the amount requested from CIIPS. If you have other sources of revenue, please list them and whether or not they are confirmed. Outline in general terms your anticipated expenses for the project.

Please attach a CV of the principal researcher to the Letter of Intent, together with a list of publications and presentations relevant to the application within the last five years. It is not essential for researchers to be highly published; graduate students, recent graduates, and independent researchers are encouraged to apply.

The Cover Sheet, Letter of Intent and related materials must be sent by email or mail to:
